Jar of Clay

But we have this treasure in jars of clay to show that this all-surpassing power is from God and not from us. 2 Corinthians 4:7

The past year has been FANTASTIC!! Pinerock is so blessed with wonderful groups that allowed us to host their retreat or summer camp. To say we have a mission to fulfill seems like an understatement. Our staff is here to serve and, hopefully, offer each guest a great experience during their event. It is our hope that the peace we at Pinerock are familiar with will be passed along to all who visit.

The focus for the past several months has been to upgrade a few facilities that needed some attention. It feels like our eyes are always seeing the next project. We have come to realize we are only able to accomplish so much during the allotted time given for repairs.

An excerpt from *Enjoying Peace in His Presence* says this, "I designed you to have no sufficiency on your own. I created you as a jar of clay, set apart for sacred use." We are trusting that Pinerock is that jar of clay and continues to be a tool used in the Master's hand.

Hope to see you around the camp during the upcoming year.

Blessings, Rich & Trish
& the Pinerock Staff

- July 8-13 - Family Gathering
- Oct 31 - Nov 2 - Men's Retreat

*****If you would like to inquire about a possible retreat, please connect with the Pinerock office staff for more information about available dates and rates.***

Dining Hall Bathrooms

Everybody said, "About time!!" We are so grateful for the expertise of our Maintenance staff (Mike, Rich & Devin. Trish is the painter). They were able to refurbish the bathroom stalls over the Christmas break. What a difference.

Coming before Summer 2025... Foxhill has a new name, **Rosewood**.

The renovations have already begun. There will be two large rooms instead of five small rooms. Each room is receiving new bunks, mattresses, flooring, lighting, more electrical plugs and a split unit. An overhang will be built on the east side which will block the weather elements. We cannot wait to see the finished rooms. **Rosewood** is becoming a great year round accommodation.

New Wood Splitter
Our 1969 splitter is no longer serviceable. If you would like to donate towards this new piece of equipment, please contact the Camp Office.
Equipment Cost: \$3000

Thank you to Mesa Journey of Grace, Kingman Naz and others who donated toward new bunkbeds, mattresses, and split units. **Pinetop** now has air conditioning.
HOORAY!!

Olivet Cabin

This cabin was fully renovated with new flooring and furniture along with the bathroom receiving a new shower and vanity. The deck was re-stained, a table set on the deck, a cover over the entry way and rocks around the perimeter.

Lions Dorm

We are so excited for the work that was able to take place in both the Upper/Lower Dens and rooms 9 and 10. Each room was repainted, and given new flooring, lighting, blinds, and bunkbeds/mattresses.

Verner Re-do

Well, the Verner cabin was finally renovated this past year. It became a basic cabin. There are nine new twin bunkbeds/mattresses between the front room and two bedrooms. The third bedroom offers a queen bed (perfect for a counselor during summer camp). The bathroom was enlarged greatly. It has three toilets, showers and sinks. The best part is it offers air conditioning during those warm summer months.
